Reinier Boerman MBA EMFC RC

Profile:

- I've got more than 20 years of work experience in positions as (Business/Financial) Controller/Finance Manager. Since 2006 I have been working as an independent professional.
- Over the years, I've built up my expertise in optimizing of administrative processes, real estate, project management, controlling, reducing of working capital, building financial report, producing of budgets and analysing of revenues and expenses.
- I adapt easily in a new environment because of my adaptability. My motto is appointment = appointment, loyalty, clear communication and I've got a positive critical mind as professional. Furthermore, I go for structural and long-term solutions. In addition, I'm hands-on and I like having fun with colleagues.
- Strong characteristics are: proactive, driven, creating of structure, hands-on, accurate, clear communication, quick orientation, upright, team player, to obtain overview and separating main and side issues.
